**WHISTLE**

*It is cloudy in the bottle*

Cloudy with the heavy pure once  
mayer and fruit. It would not be  
Whistle if it was not cloudy.

Whistle is full bodied, substantial,  
satisfying—with a smacking flavor.

The tender energy in every bottle of  
Whistle is the reason you and your  
children will prefer Whistle.

Some have started the amount of new building and the Negroes are working in bricklayers, carpenters and masons are now taking their place in the industries where they are making from \$1 to \$2 per day. Our housing conditions for labor in Detroit have been bad, but from now on, we

shall see a steady improvement. That Detroit is becoming a cosmopolitan city is evidenced by the fact that our bank has made a \$150,000 loan for the purpose of building a Chinese hotel for Chinese. Our Chinese colony is arranging for direct travel trade between Detroit and China.

# YOUR HAIR CAN BE MADE

## Long, Soft, Glossy, Easy to Brush and Comb, and Dress to Become Your Style of Beauty.

Women and men--women especially--are more and more realizing how much beautiful, soft, glossy, long hair adds to their attractiveness and popularity. You know you often forget a name but not the face of a pretty woman--one who has beautiful, soft, wavy hair.

### To Make Your Hair

long, soft, wavy and glossy, you must use a dressing that will destroy all dandruff, keep the scalp clean and free from disease and dirt. The ideal hair dressing must contain those ingredients that go directly to the roots of the hair and invigorate its growth. And naturally one prefers the use of a dressing that is pure white and delicately perfumed.

### A White Hair Dressing

Black and White Hair Dressing is a white preparation of the highest quality. The oils and other ingredients used are recognized by beauty specialists everywhere as having merit for promoting the growth of the hair. Black and White Hair Dressing is delicately and delightfully perfumed--it has an odor that is distinctive. This new white hair dressing is the best that has ever been offered the public for the money.

### How to Make Your Hair Long, Soft, Glossy and Wavy

Black and White Hair Dressing should be applied both night and morning, the length of time dependent

upon the condition of your hair and scalp. The hair and scalp should first be thoroughly cleansed. [There is no better shampoo than Black and White Soap.] Dry the hair well, then gently massage a little bit of Black and White Hair Dressing into the scalp. Do this night and morning for one week; then shampoo the hair again. You will find your scalp will be free from dandruff; your stiff, wiry, curly hair becoming flatter, softer and easier to brush and comb.

### How to Make Your Own Shampoo.

Black and White Soap, as sold in cake form, is about the best cleansing agent that you can use, but some prefer a liquid soap for shampoo. Do this--thinly shave about one-quarter of a cake of Black and White Soap and place in a pint of boiling water. It is ready for use as soon as it cools.

If your druggist cannot supply you with Plough's Black and White Hair Dressing and Black and White Soap, send 50c to us and both will be mailed postpaid, or, four packages of Black and White Hair Dressing and one bar of Black and White Soap [a \$1.25 order] will be sent postpaid on receipt of \$1.00.
